Hosted by RCCEEC  
RCCEEC'is hosting one of the only “OPEN” classes on the  
East Coast with only 40 seats available.  
Please register early so you don't miss out!**

Ellis & Russell Prach will teach a training seminar on inspection techniques and procedures that help determine the condition of furnace heat exchangers. Ellis will have approximately 50 furnaces and heat exchangers at the seminar for use in training. In this hands-on training, you will be guided through most inspections that you might encounter out in the field.
